What is First Steps 4K?

South Carolina's public-private prekindergarten program offers full-day 4K programs in 61 eligible school districts. Enrollment is offered at no cost to eligible children.

In addition to the offerings of the state's public school districts, SC First Steps offers parents the opportunity to enroll their eligible children with more than 150 private, faith- and community-based preschool providers statewide.

Whether parents select a public or private setting, all programs provide:
