

# Comprehensive Plan

## 2018-2020

### Introduction

Per First Steps legislation (Section 52-152-70 (A)), each First Steps Partnership Board shall bring the community together to identify the area needs related to the goals of First Steps, develop a strategic long-term plan for meeting those needs, and then develop specific initiatives to implement the elements of the plan while integrating service delivery where possible. The partnership board is responsible for overseeing the implementation of the partnership's comprehensive strategic plan, which shall include direct service provision, contracting for service provision, and organization and management of volunteer programs. In addition, each partnership's comprehensive plan shall include the following core functions:

- a) service as a local portal connecting families of preschool children to community-based services they may need or desire to ensure the school readiness of their children;
- b) service as a community convener around the needs of preschool children and their families; and
- c) support of state-level school readiness priorities as determined by the State Board.

Needs and Resources Assessment: Each local First Steps partnership undergoes a community needs and resources assessment process every three years, in consultation with its local board, staff, clients and partners. A description of this process can be found online at <http://scfirststeps.com/fy-17-needs-and-resources-assessment/>.

Alignment to State First Steps Priorities: Each local First Steps partnership is a non-profit organization created in legislation in support of the statewide First Steps initiative, which is governed by a state board of trustees and supported by the State Office of First Steps. Each local plan aligns with the priorities of the South Carolina First Steps Strategic Plan, *Vision 2020* (<http://scfirststeps.com/resources-and-state-reporting/>). These priorities are:

- Increase access to quality early childhood programs and resources
- Enhance leadership development and capacity building
- Strengthen interagency accountability and public-private collaboration

Support for First Steps Legislative Goals: The strategic goals of this comprehensive plan support one or more goals of the First Steps initiative, as defined in state legislation (<http://www.scstatehouse.gov/code/t59c152.php>):

1. "Provide parents with access to the support they might seek and want to strengthen their families and to promote the optimal development of their preschool children;
2. Increase comprehensive services so children have reduced risk for major physical, developmental, and learning problems;
3. Promote high-quality preschool programs that provide a healthy environment that will promote normal growth and development;
4. Provide services so all children receive the protection, nutrition, and health care needed to thrive in the early years of life so they arrive at school ready to succeed; and
5. Mobilize communities to focus efforts on providing enhanced services to support families and their young children so as to enable every child to reach school healthy and ready to succeed."

Promotion of South Carolina's Definition of School Readiness: The goals and objectives of this comprehensive plan promote one or more descriptions of school readiness (Ready Children, Ready Families and Caregivers, Ready Schools and Educators, Ready Communities) as defined in South Carolina's Profile of the Ready Kindergartner (<http://www.ican.sc>), adopted in 2015 by the South Carolina First Steps Board of Trustees and the South Carolina Board of Education as the state's readiness benchmarks.

#### South Carolina's Definition of School Readiness (Section 59-152-25 (G))

"School readiness' means the level of child development necessary to ensure early school success as measured in the following domains: physical health and motor skills; emotional and social competence; language and literacy development; and mathematical thinking and cognitive skills. School readiness is supported by the knowledge and practices of families, caregivers, healthcare providers, educators, and communities."

On behalf of the Barnwell County First Steps Board of Directors, I am pleased to submit this Comprehensive Plan of Improvement for Barnwell County First Steps. After much time spent discussing the needs of Barnwell County First Steps, and evaluating the resources available to meet those needs, we are confident that this plan demonstrates a true and real plan to help the young children in Barnwell County be prepared and ready to succeed in school by the time they reach first grade. Our time was invested in talking to the families, childcare directors, and community partners to get a true sense of what is needed to help our young children and their families. Because of these conversations, surveys, and meetings, a resource development plan was created, which was the catalyst for this Comprehensive Plan.

Within the next 3 years, Barnwell County First Steps will work tirelessly with our families and local partners to obtain additional funding for programs such as our scholarship program. We will continue to recruit and retain qualified staff for all of our programs, especially Early Steps and Countdown to Kindergarten. Barnwell County First Steps will bolster recruitment efforts to ensure all of our programs are filled to capacity with the use of social media, community conveners, and ensuring our brochures and flyers are in every available office that works closely with young children. In order to ensure our children are receiving quality childcare service, we will work with our childcare centers directors and staff by providing training in the various early childcare domains. We will not only provide workshops, but will provide training that will include coaching and mentoring to the staff. Additionally, Barnwell County First Steps will increase the public awareness of the much-needed programs that we offer.

We are so very grateful for the continue support of the our local partners, such as the Darnell Committee, School Districts 19, 29, and 45, DSS, Axis 1, the Family YMCA, to name a few. We are especially grateful to our board members for the input and experience that was provided in constructing this Comprehensive Plan. Finally, we are eternally grateful to our families for their input, and for allowing their children to be a part of our programs.

This plan was approved January 29, 2018.

## Vision, Mission, and Values

Source: *Guiding Principles and Best Practices for South Carolina Nonprofits, 4<sup>th</sup> Edition* (TogetherSC, 2017)

<http://www.togetherSC.org/?page=GPBP>

In order to engage in strategic thinking that steers the organization in a **mission-focused direction**, the local partnership board must clearly define its mission, vision and values and use these statements to guide planning and action.

Mission and vision statements capture the essence of your organization’s beliefs and values, and define its place in the world. A **vision statement** explains the overall goal of your organization looking into the future, while the **mission statement** outlines the present plan to realize the vision.

---

### VISION

- The partnership board adopts the SC First Steps Vision 2020 vision statement for its 2018-2020 Strategic Plan

**Barnwell County First Steps Vision Statement**

Every Barnwell County child will be prepared for success in school.

---

### MISSION

- The partnership board adopts the SC First Steps Vision 2020 mission statement for its 2018-2020 Strategic Plan

**Barnwell County First Steps Mission Statement**

Collaborating with other entities, First Steps helps South Carolina families and caregivers prepare their children for school success by maximizing public and private community resources to deliver, enhance and expand high-quality early childhood services

## VALUES

- The partnership board adopts the SC First Steps Vision 2020 core values for its 2018-2020 Strategic Plan

### **Barnwell County First Steps Core Values**

The years of early childhood are a critical window of development during which much of human potential is shaped.

Families are the single most important influence on the development of their young children.

The work of supporting families and caregivers is a collaborative effort between state and local stakeholders within the public, private and faith sectors.

School readiness is the result of a child's development in many areas, with each contributing to the child's success.

Services must be individualized and adaptable to meet the unique needs of children and families.

We value, and demonstrate in our collaborative work and advocacy, diverse perspectives in the development of public policy and programs.

To achieve desired results, services must be high quality and grounded in strong evidence. First Steps operates within a culture of accountability.

## STRATEGIC GOALS

Strategic goals set the direction for how the organization intends to implement its mission and address the needs of its focus population(s) for the duration of the plan.

## Scholarships

**Description:** Participating child care providers partner with First Steps to receive funding to provide access to childcare by way of scholarships. Children who meet certain risk factors are able to attend the childcare center full-time during the center’s normal business hours. In order to achieve desired outcome, and to ensure centers are using best practices in the early childcare field, the centers are required to attend at least 15 hours of training per year.

**Integration:** This strategy is integrated with other strategies of the local partnership in that at 75% of our families who receives scholarships are participants in the Early Steps to School Success strategy. Additionally, parents who receives scholarship may be referred to services provided by DSS, Housing Authority, and Babynet. This strategy is offered in-house

**Collaboration:**

- The Darnell Initiative provides funding for scholarships.
- Department of Social Services in Barnwell County provides services to scholarship parents such as TANF and Medicaid
- Housing Authority meets the housing needs of our parents.
- Axis 1 provide food and clothing.
- Save the Children provides training to the Home Visitors
- School Districts 19, 29, and 45 provides payroll services for the home visitors, curriculum materials, office space, and furniture.

<b>Objective</b> Each objective addresses one or more priorities of the SC First Steps Strategic Plan, <i>Vision 2020</i> : 1) Increase access; 2) Build capacity; 3) Strengthen interagency accountability & collaboration	<b>In Support of Partnership Strategic Goal(s)</b> (abbreviate as 1, 2, etc.)	<b>Success Metrics</b> Evidence for demonstrating progress, or achievement, of this objective (assessments, surveys, evaluations, focus groups, or other documentation)	<b>Action Items</b> Major activities to be initiated in support of the objective (to be operationalized by staff and partners)

## Early Steps to School Success

**Description:** *Early Steps to School Success (ESSS)* provides parent education and support, home visiting and pre-literacy and language development services for families in rural, geographically isolated communities. ESSS is a model designed to be culturally relevant and provide early childhood education services to pregnant women and children from birth to age five, education services to parents, and ongoing staff training to community early childhood educators. It not only recognizes the essential role families have in preparing their children for school, but also reinforces parents' roles as advocates in raising awareness for community-wide efforts that support school readiness. It does this through community collaboration and by creating strong connections between parents and the schools their children will attend.

**Integration:** This strategy is integrated with the Scholarship strategy in that families who participate in the Early Steps strategy are eligible to participate and receive funds through the scholarship strategy. Parents who participate in the Early Steps strategy also have the opportunity to participate in free trainings offered through our Training/Professional Development Strategy. The Early Steps strategy is contracted through each of the Barnwell County School Districts

**Collaboration:**

- **The Darnell Initiative** provides funding for scholarships.
- **Department of Social Services in Barnwell County** provides services to scholarship parents such as TANF and Medicaid
- **Housing Authority** meets the housing needs of our parents.
- **Axis 1** provide food and clothing.
- **Save the Children** provides training to the Home Visitors
- **School Districts 19, 29, and 45** provides in-kind such as payroll services for the home visitors, curriculum materials, office space, and furniture.

## Childcare Training/Professional Development

**Description:** High-quality child care hinges on high-quality professional development that meets the needs of the local child care workforce. Barnwell County First Steps-sponsored training is certified through the SC Center for Child Care Career Development and can include topics in the areas of nutrition, health and safety, curriculum, child guidance, professional development and program administration. Best practices in training include not only the training itself, but follow-up in the classroom.

**Integration:** High quality child care training is provided by certified individuals who are extremely familiar with best practices in the Early Child Care field. At least 15 hours of childcare training will be provided each year, which will include two-five hours training on two Saturdays, and 3 ninety minutes training after hours through the week. Clients will be expected to participate in at least 15 hours of training annually.

**Collaboration:** The Department of Social Services requires at least 15-20 hours of child care training for all persons who work with children in a child care center. BCFS works with early child care workers and directors who are employed with private centers, Head Start, and the public school system to ensure that the staff receives the required training. All trainings are contracted to outside individuals who are certified in the area of Early Childcare.
