OUR VISION:

Every Allendale County child will be prepared for success in school.
Greetings,

Many years have passed since 1999 when we began this journey to have children ready for kindergarten. I know that we have many memories and each of you may have a story or two that you could tell! I want to thank our First Steps families, partners, child care workers, and the community for making Allendale County First Steps your home. We pride ourselves on being an agency designed to meet the needs of learners through researched-based programs offered, trainings and review of data to demonstrate what worked and what it is we need to formulate strategies and goals to work more effectively, efficiently and with relevance. We thank you for your long hours of working, dedication, commitment, meeting and putting plans and ideas into action to reach our common goals. I am so proud of how many of you have pushed forward, because you wanted our children, parents, partners and the community to climb on board as a united front filled with enthusiasm, on fire and eager to make a difference as we strived to be the best.

I challenge each of you to continue these actions as I complete my first year as your Board Chair. I pray that everyone will stand and stay on what we’ve started as we prepare to push harder, move further, and provide the best service we can to our clients and community. Again, thanks to everyone who has and will continue to contribute to the success of Allendale County First Steps and invite you to become a part of the process this year. We welcome and value your talent, ideas, involvement and support for learning. I am excited to engage with each of you to build on our legacy of success! Let us move forward collectively as we create success.

In service to all,

Evelyn Smith-Smart
Allendale County First Steps Board Chair

OUR MISSION:
Collaborating with other entities, First Steps helps Allendale County families and caregivers prepare their children for school success by maximizing public and private community resources to deliver, enhance and expand high-quality early childhood services.

THE NEED

School readiness depends on the capacity of caregivers to provide children with consistent, nurturing, and responsive relationships in safe, stimulating learning environments, continuously, starting at birth. Unfortunately, these quality early childhood experiences happen for too few children in Allendale County.

THE GOALS

Our partnership’s work, in collaboration with state and local partners, is focused on advancing Allendale County towards these strategic goals in support of the Profile of the Ready Kindergartner, South Carolina’s description of school readiness:

1. Expand the reach of programs and services of Allendale County First Steps
2. Increase and improve access to early childhood services in the community to ensure children in need are enrolled in quality early education programs
3. Increase public awareness of Allendale County First Steps and mobilize community to work in support of ACFS mission

THE IMPACT

In 2017-18, Allendale County First Steps provided:

- **34 children** and **33 adults** with intensive support to equip parents and caregivers with the confidence and competence to be a child’s first and best teacher, and strengthen their family’s health, economic, and overall well-being. ([Parents as Teachers](https://www.parentsasteachers.org))
- **36 staff** working in two child care providers, Head Start centers and preschool classrooms with training, technical assistance, resources and support, helping them better meet the needs of **136 children ages 0-5 in their care** ([Child Care Training](https://www.childcaretraining.com))
- Financial assistance to help **19 children 0-5 attend quality child care** so their parents can work or attend school ([Scholarships](https://www.scholarships.com))
- **1,555 books** to spark the love of reading for children ([Parents as Teachers, Countdown to Kindergarten, Child Care Centers, Emma’s House – afterschool program and community events](https://www.parentsasteachers.org))
- A total of **281 children** and **246 adults** were impacted by Allendale County First Steps programs, resources, activities and events.

What is the KRA?

In 2017-18, kindergartners across the state were given for the first time South Carolina’s newest assessment of school readiness: the Kindergarten Readiness Assessment, or KRA. The KRA provides a snapshot of students’ abilities at the beginning of the school year, in four domains: Social Foundations, Language and Literacy, Mathematics, and Physical Development and Well-Being. Here are the results locally and for the state:

<table>
<thead>
<tr>
<th>Domain</th>
<th>Allendale (96 children)</th>
<th>South Carolina (54,927 children)</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Emerging</td>
<td>Approaching</td>
</tr>
<tr>
<td>Social Foundations</td>
<td>51%</td>
<td>27%</td>
</tr>
<tr>
<td>Language &amp; Literacy</td>
<td>27%</td>
<td>47%</td>
</tr>
<tr>
<td>Mathematics</td>
<td>24%</td>
<td>56%</td>
</tr>
<tr>
<td>Physical Dev &amp; WB</td>
<td>43%</td>
<td>28%</td>
</tr>
<tr>
<td>OVERALL</td>
<td>37%</td>
<td>42%</td>
</tr>
</tbody>
</table>

1. **Language and Literacy**: reading, writing, speaking, and listening
2. **Mathematics**: counting, comparison, and sorting
3. **Physical Well-Being & Motor Development**: dexterity, muscular coordination, and balance
4. **Social Foundations**: following rules, asking for help, task persistence and other skills necessary to function within the kindergarten classroom

**Demonstrating Readiness**: student demonstrates foundational skills and behaviors that prepare him/her for instruction based on kindergarten standards.

**Approaching Readiness**: student demonstrates some foundational skills and behaviors that prepare him/her for instruction based on kindergarten standards

**Emerging Readiness**: student demonstrates limited foundational skills and behaviors that prepare him/her for instruction based on kindergarten standards

What is Allendale County First Steps doing to improve KRA results:

The results of the Kindergarten Readiness Assessment (KRA) show we need to increase our students’ abilities in the four domains: Social Foundations, Language & Literacy, Mathematics, Physical Development and Well-Being. Allendale County First Steps Local Convener Team will direct its focus on increasing parental involvement and outreach to certain underserved areas of the county.

The school district already has additional trainings for teachers on the area of development (like social and emotional) in place. The district also sponsors an after school program to address the domains.
Parents as Teachers

Parents play a critical role in their child’s development.

Program Description

Parents as Teachers (PAT) is an evidence-based home visiting program designed to build strong communities, thriving families and children who are healthy, safe and ready to succeed. PAT services include:

1. Personal Visits at least twice monthly
2. Monthly Group Connections with other PAT families
3. Screenings and Assessments to identify developmental concerns
4. Connections to Outside Resources that families may need to succeed

Allendale County First Steps serves families in greatest need. Among our PAT families:

- 100% ... single parent home
- 97% ... receive assistance from SNAP
- 24% ... exposed to domestic violence

Average gain, Keys to Interactive Parenting Scale (pre-to-post):

- **KIPS**
  - Pre: 2
  - Post: 2.21
  - Gain: .71

- **ACIRI**
  - Pre: 1.95
  - Post: 2.16
  - Gain: .79

This year, our Parents as Teachers program:

- Averaged 21 home visits per family
- Identified and addressed 4 potential developmental delays, and made 2 connections for families to services such as BabyNet and SC Housing Authority.
- Improved parenting practices as evidence by a positive growth of .71 in KIPS and .79 in ACIRI.
- Improve literacy skill by assisting thirty-three families with building libraries in their homes; 687 books were distributed during home visits, and acquiring library cards.

Thank you to our PAT partners!

- Town of Allendale
- Private Donors

Evidence of Effectiveness:

Parents as Teachers meets the First Steps legislation’s definition of an evidence-based program.
Those who care for young children need high-quality, accessible, and affordable professional development.

Program Description

High-quality child care hinges on high-quality professional development that meets the needs of the local child care workforce.

First Steps-sponsored training is certified through the SC Center for Child Care Career Development and includes topics in the areas of nutrition, health and safety, curriculum, child guidance, professional development and program administration. Best practices in training include not only the training itself, but follow-up in the classroom.

This year, our Training program provided:

✓ 36 early childhood staff with high quality training, impacting 2 providers and Allendale County School District Pre-K teachers and 136 children

✓ 25.5 hours of certified training and four hours of registered training for staff to meet annual re-certification requirements

✓ 4 follow-up visits with training participants to help put training into practice

Thank you to our Training partners!

- Child Care Resource and Referral (CCRR)
- Allendale County School District
- ABC Child Care Program
- County of Allendale

Evidence of Effectiveness:

Child Care Training and Professional Development meets the First Steps legislation’s definition of an evidence-based program.
Too many families in Allendale County cannot afford quality care for their children.

Program Description

Access to quality child care is essential for children while away from their primary caregivers. Yet, of those families income-eligible for child care assistance in South Carolina, only a small fraction receive it due to lack of funds. In the absence of nurturing and consistently available family, friends or neighbors, parents are faced with few - or no – affordable care options.

Allendale County First Steps serves families in greatest need. Among our scholarship families:

- 100% ... Single parent home
- 97% ... receive assistance from SNAP
- 24% ... exposed to substance abuse
- 24% ... exposed to domestic violence

In addition to regular monitoring of child care providers that receive First Steps scholarships, First Steps conducts at least one developmental screening each year with scholarship children and connects families to needed services within the community.

Allendale County First Steps Child Care Scholarship program integrates with its Parents as Teachers.

This year, our Scholarship program:

- Provided 19 children with scholarship assistance so their parents could work or attend school
- Identified and addressed 4 potential developmental delays among scholarship children
- Made 23 connections for families to services such as child care, housing authority assistance, and one stop employment service
- Supported one (1) small businesses in Allendale County by subsidizing child care tuition for families who would not otherwise be able to afford quality care
- Provided 12 hours of training for scholarship parents in topics such as parent involvement, family literacy, and discipline at early ages

Thank you to our Scholarship partners!

South Carolina Department of Social Service
ABC Child Care

Evidence of Effectiveness:

Our partnership’s Child Care Scholarship strategy is considered evidence-based because it is connected to the following evidence-based programs: Parents As Teachers
Countdown to Kindergarten

Bringing parents and teachers together as partners sets the foundation for success in school.

Program Description

Countdown to Kindergarten (CTK) is a summer home visitation model connecting rising kindergartners and their families with their future teachers. The program is designed:

✓ to forge strong and lasting home-school relationships,
✓ to acquaint children and families with the state and classroom expectations to increase the likelihood of school success,
✓ to increase parent involvement in the early grades (particularly in hard-to-reach communities), when children’s learning is foundational for life success; and
✓ to increase public awareness of the importance of school readiness and provide ways for parents and communities to impact children’s early school success.

Countdown to Kindergarten integrates all of the following:

Home Visitation. Teachers make six visits over the summer to the homes of participating students and families. Children and families are introduced to actual materials used in kindergarten and are given a Kindergarten Transition Toolkit to keep.

Learning Celebration. The last visit is a “field trip” to the school where the child will attend class in the fall.

Public Awareness. Throughout the summer, First Steps releases tips to media to help parents and caregivers get children ready for kindergarten.

*CTK by the Numbers, Summer 2017*

<p>| | |</p>
<table>
<thead>

<td>Children Served</td>
<td>20</td>
</tr>
<tr>
<td>Families Served</td>
<td>20</td>
</tr>
<tr>
<td>Home/School Visits</td>
<td>120</td>
</tr>
</tbody>
</table>

*CTK program data is for June-August 2017, whereas CTK fiscal data includes expenditures from July 1, 2017 through June 30, 2018.

This year, our Countdown to Kindergarten program:

✓ 100% of the parents took their child to the county library
✓ Increased the amount of time parents spent reading to children by 60%
✓ According to kindergarten teachers, 70% of CTK children performed as well as, or better than, their fellow students in counting, identifying numbers and letters, writing their name
✓ According to kindergarten teachers, 75% of CTK parents were more involved than other parents in their child’s education in the areas of reading and hands on activities.

Thank you to our CTK partners!

- Allendale County School District
- Coastal Community Foundation
- Kaplan Early Learning Company
- EdVenture Children’s Museum
- WACH Fox 57

Evidence of Effectiveness:

Our partnership’s Countdown to Kindergarten program meets the First Steps legislation’s definition of an evidence-informed program.

Great program, the activities are family time!

**Unaudited numbers for the period July 1, 2017 through June 30, 2018**

Since inception, Allendale County First Steps has leveraged $1,193,712 from sources outside of state government. That’s **36 cents** for every state dollar.
Through partnerships and collaborations, as well as financial support from grants and contributions, Allendale County First Steps leverages state dollars to enhance and expand services to children and families.

**Funding Support**
- State of South Carolina: $200,000
  *(through South Carolina First Steps)*
- Coastal Community Foundation: $5,000
- Allendale County School District: $3,200
- Fundraiser/Private Donors: $300

**In-Kind Support**
- Allendale County School District
- County of Allendale
- Town of Allendale
- Child Care Resource and Referral (CCRR)
- SC Department of Social Service ABC Scholarship Program
- Private Donor

How your support helps children in Allendale County:

- ✔ $35 provides a young child a book per month for one year!
- ✔ $30 provides snacks (drinks, chips, cookies) to low-income families attending a parenting workshop.
- ✔ $300 helps a low-income family afford quality child care for one month

**HOW TO GIVE:** Contributions to Allendale County First Steps can be submitted to P.O. Box 236, Allendale, SC 29810. Please make checks payable to Allendale County First Steps

**Save the Date!**

List of Allendale County First Steps upcoming events:

- Annual Meeting will be held on December 30, 2018 in the James Brandt Building Auditorium at 6:00 p.m.
- Annual Valentine’s Celebration will kick off January 7, 2019. Contact the office at 803-702-9010 for additional information

Parents as Teachers /Scholarship

Participating in Allendale First Steps programs has been very educational for me. I have learned so much, especially how to communicate better with my daughter. We have come a long way, because of Allendale First Steps.

I needed child care so I could go work. When I received my voucher, I also had the pleasure of participating in their parenting program. I was already involved in my daughter’s life; but I became more aware of little things that I normally wouldn’t pay attention to. For example, instead of me giving her something to play with, I’m now letting her show me to what she wants to do. This opens up communication to discuss what she is doing. I thank God for Allendale First Steps and all the help they have given me.

Brina

Hello my name is Chasity and I participate in the PAT program. My parent educator is Mrs. Robinson. She is the best. My daughter has some developmental delays and requires special attention. With First Steps involvement, my daughter has assessments every six months and during my home visits, we engage in activities to help improve her language, fine motor skills and social emotional growth. Oh yeah, we are connected to Babynet and things are really well.

Thank you First Steps, I’ll continue to sing your praises.
Allendale County First Steps Annual Secret Santa program was a bigger success this year. Along with our community partners, we provided Christmas gifts for thirty-three (33) families participating in our parenting program and fourteen (14) additional families from the community. We also assisted with providing Christmas gifts to the Department of Social Service families. Because of team work and support from our collaborating partners, these families were truly blessed and had a very happy holiday.

Our partnership also sponsored a fish fry to raise funds to help with cost of child care and the purchase of books for our parent educators to leave in the home after each visit. Our collaborating partners supported us by purchasing/selling tickets and encouraging their colleagues and co-workers to support our efforts.

Our Countdown to Kindergarten summer program, a partnership with Allendale County School District, allowed twenty (20) children to participate. The children and families completed this six week home visiting program, which better prepares them to enter into kindergarten. They also attended a celebration at Edventure Museum in Columbia.

What is First Steps?

At the state level and in every county, First Steps leverages state funding with other public and private resources to help South Carolina’s children enter kindergarten healthy and ready to succeed. First Steps programs and services support families as their child’s first and most important teacher and are customized to meet the unique needs of local communities, grounded in strong evidence, fueled by stakeholder collaboration, and accountable for results.

First Steps Goals
(1) provide parents with access to the support they might seek and want to strengthen their families and to promote the optimal development of their preschool children;

(2) increase comprehensive services so children have reduced risk for major physical, developmental, and learning problems;

(3) promote high-quality preschool programs that provide a healthy environment that will promote normal growth and development;

(4) provide services so all children receive the protection, nutrition, and health care needed to thrive in the early years of life so they arrive at school ready to succeed; and

(5) mobilize communities to focus efforts on providing enhanced services to support families and their young children so as to enable every child to reach school healthy and ready to succeed.

First Steps Building Blocks of Quality Early Childhood Programs and Services

From Greenville to Charleston, Abbeville to York, First Steps local partnerships serve as …

Local portals connecting preschool children and families to services

Conveners of community stakeholders to address the needs of young children and their families

Champions of the importance of school readiness to our children’s future.
