Executive Director

As we reflect on the accomplishments of 2024, we hope it was a good year for you.

As the Horry County First Steps team looks back on the highlights of 2024 and what we accomplished with your support for children and families across Horry County, the image of a bridge keeps coming up. Horry County First Steps is the bridge that connects community members to the resources and services they need to help children get ready for school. We connect Early Care and Education Professionals with the training and materials they need to implement Creative Curriculum. We are the bridge that families rely on to ensure their children are healthy and ready to learn by providing access to materials and referrals to a broad spectrum of services.

High-quality support services are the gateway to successful school entry. People like you, who want to make a difference in their communities, who want to give back, and who understand the power that school readiness has to transform lives, see Horry County First Steps as a bridge to those most in need of support.

The information that follows highlights some of the impactful connections that have been made because of your invaluable support. Your contributions have been instrumental in our achievements.

Thank you for joining us on this mission. We want to assure you of our unwavering commitment to our cause and look forward to building more bridges in 2025!
