Success starts in the mind no matter the age. Too often we are reactive to the children/families needs’ in our community. Marlboro County First Steps allows us to be proactive.

MESSAGE FROM THE EXECUTIVE DIRECTOR

The Marlboro County First Steps Partnership continues to be a quality contributor to the well-being for families with young children in the Marlboro community. This can especially be noticed via parenting and childcare. This past fiscal year we worked with 27 families who may not receive other quality services. MCFS also continues to be the lead county agency that works with child care facilities throughout the community. We stress quality and efficient learning as opposed to the babysitting approach.

- MCFS will continue being involved with the Marlboro County Coordinating Council & others in community through various levels of collaboration.
Parents as Teachers (PAT) is a home visiting program designed to build strong communities, thriving families and children who are healthy, safe and ready to succeed. PAT services include:

- Monthly group connections with other PAT families
- Screenings and assessments to identify developmental concerns
- Connections to outside resources that families may need to succeed

**PAT IN THE NEWS**

PAT recently received the highest rating from the federal Prevention Services Clearinghouse. For many families in Marlboro County, the cost of quality child care is out of reach. Our scholarship program makes payments to child care providers to care for children from low-income families so their parents can return to school or work as well as income-eligible children whose parent attends school or works at least 20 hours per week. In addition to regular monitoring of child care providers that receive First Steps scholarships, First Steps conducts at least one developmental screening each year with scholarship children and connects families to needed services within the community.

• Each one of the participants in our program who receives a scholarship must also participate in the Marlboro County First Steps PAT program
• Every child who receives a scholarship also receives books
